**REPORT AND RECOMMENDATION CONCERNING PLEA OF GUILTY
(PLEA AGREEMENT)**

The United States of America and the defendant, having both filed a written consent to conduct of the plea proceedings by a magistrate judge, appeared before me pursuant to Fed. R. Crim. P. 11 and LCrR 11.1. The defendant entered a plea of guilty to Count 1 of the Indictment charging him with manufacture or attempt to manufacture in excess of fifty (50) grams of a mixture or substance containing methamphetamine, in violation of Title 21 U.S.C. § 841(b)(1)(B). After advising and questioning the defendant under oath concerning each of the subjects addressed in Rule 11(b)(1), I determined that the guilty plea was in its entirety voluntarily, knowingly and intelligently made and did not result from force, threats, or promises (other than promises in the plea agreement). I further determined that there is a factual basis for the guilty plea on each of the essential elements of the offense(s) in question. A plea agreement was disclosed at the plea proceeding and defendant stated he understood its terms and agreed

to be bound by them. To the extent the plea agreement is of the type specified in Rule 11(c)(1)(A) or (C) defendant was advised the sentencing judge may elect to defer acceptance of the plea agreement until after the sentencing judge has reviewed the presentence report as permitted by Rule 11(c)(3)(A). To the extent the plea agreement is of the type specified in Rule 11(c)(1)(B) defendant was advised by the Court that defendant has no right to withdraw the plea if the Court does not follow a recommendation or request in question.

I recommend that the plea(s) of guilty be accepted and that the defendant be adjudged guilty and have sentence imposed accordingly. A presentence report has been ordered and a status conference scheduled.
